GENERAL FOREIGN NEWS.

Hayti.

ENGLAND'S ULTIMATUM. HAVANA, April 7 .- Advices from Port An Prince, dated March 26, says the excitement continues throughout the republic over the demand of Eugland for the possession of Tortugas Island or the payment of \$1,000,000 in the settlement of old claims. It is reported that a special British envoy has presented England's climatum to the Havtian government, and has the at-ped the bombarding of the principal ports of the republic after a lapse of five days if England's claim be not acknowledged. Great const rnation lexas. exists among the foreign residents, as it is stated the Havtians threaten a great massacre of foreigners if the President

yields to England.
